TRACKING

INTRODUCING PRINT AUDIT 4

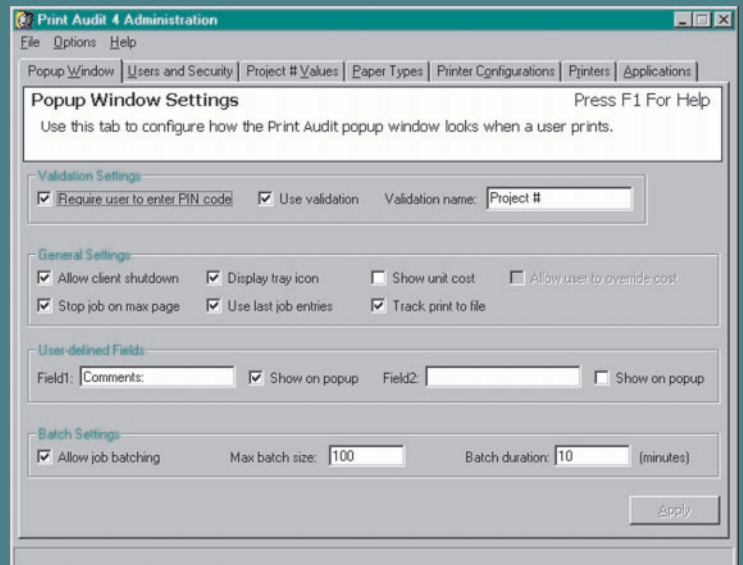

THE MOST COMPREHENSIVE PRINT TRACKING AND AUDITING SOFTWARE – BY THE INDUSTRY LEADER IN PRINT MANAGEMENT SOLUTIONS. WHETHER YOU WANT TO CHARGE YOUR CLIENTS FOR PRINTING OR LOWER PRINTING COSTS, PRINT AUDIT 4 IS THE PERFECT TOOL.

PRINT AUDIT 4 HAS COUNTLESS USER-FRIENDLY FEATURES INCLUDING:

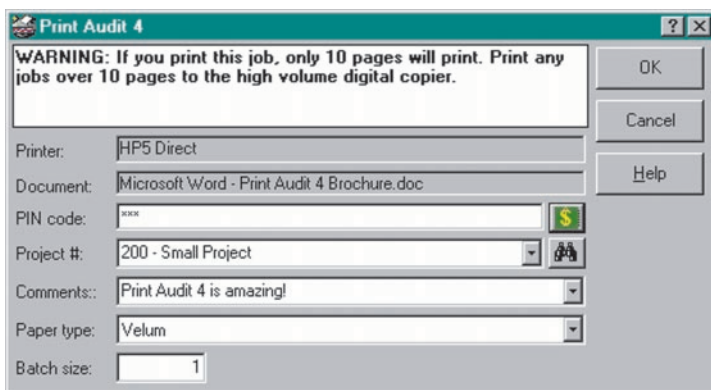

- **Stopping the print** job until the user has entered the required information
- **Redirection** of expensive print jobs to lower cost printers
- **Default entries** and **drop down choices** that make Print Audit 4 incredibly quick to use
- **User quotas** for printing
- **Security** that insures Print Audit 4 can not be overridden
- Flexible **reporting** that allows you to decide what information is needed and how to present it.
- **Network installation** that eliminates manual installation of Print Audit 4 on each workstation
- Ability to determine whether a print job is **black and white or colour** and charge appropriately
- Support for **batch printing**
- A **wizard** that helps you set up Print Audit
- **PLUS MANY MORE!**

PRINT AUDIT 4 CAPTURES:

- User name from the network
- Print Audit 4 user based on PIN code
- Computer name
- Document name
- Customer code and description
- Printer
- Port
- Paper type
- If the print job was in colour
- Date and time
- Paper size by the sheet or in square feet
- Number of copies
- Up to two extra information fields
- Job costs

THE PRINT AUDIT 4 ADMINISTRATOR IS PACKED WITH POWERFUL AND EASY TO USE FEATURES.

THE PRINT AUDIT 4 POP UP WINDOW IS INTUITIVE FOR THE END USER AND FULLY CUSTOMIZABLE BY THE ADMINISTRATOR.

An exceptional feature of Print Audit 4 is the ability to easily teach users to **redirect their printing to the most cost effective printer or digital copier.** Each printer can have its own custom warning regarding the number of pages it will accept for print and where specific jobs should be redirected. A fully customizable message field means an administrator can give very specific instructions.

“ IN TERMS OF EASE OF USE AND INSTALLATION, PRINT AUDIT HAS IT. YOUR TECHNICAL SUPPORT STAFF ARE KNOWLEDGEABLE, ACCESSIBLE AND PROMPT. WE WOULD RECOMMEND YOU TO ANYONE.”
